5th CII INDUSTRIAL INTELLECTUAL PROPERTY AWARDS 2019

Celebrating Excellence in Intellectual Property

To apply, visit www.ciiipr.in/IP-awards
CII Industrial Intellectual Property Awards aim at recognition and celebration of enterprises which have embraced IP generation and protection to fuel their business and economic growth.

The purpose of these awards is to encourage organizations to foster a culture of IP and its commercialization, bring the achievements of enterprises in public domain, set up linkages with academic and research institutions in India and abroad, inform the government about IP-driven enterprises and engage such enterprises in policy making exercises.

The CII Awards and other related or incidental services thereto are provided on an “as is” basis without any warranties of any kind. To the fullest extent permitted by applicable law, CII disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose and non-infringement in respect of the award, microsite, operator services etc. Without limiting the foregoing, CII specifically disclaims any warranty (a) that the web site will be uninterrupted or error-free, (b) that defects will be corrected, (c) that the security methods employed to protect the disclosure of information will be sufficient, and (e) regarding correctness, accuracy, or reliability. Applicant and/or any party, candidates, users (“visitor”) that accesses the website or services agree that neither CII nor its content or service providers will be liable for any loss or damages, either actual or consequential, arising out of or relating to these terms, visitor’s use or inability to use the services mentioned herein. In particular, neither CII nor its content or service providers will have liability for any consequential, indirect, punitive, special or incidental damages, whether foreseeable or unforeseeable (including, but not limited to, claims for defamation, errors, loss of data, or interruption in availability of data), any physical or mental injury/harm, death, arising out of or relating to the award, terms of use, visitor’s use or inability to use the services, whether based in contract, tort, statutory or otherwise.
The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering industry, Government, and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, playing a proactive role in India’s development process. Founded in 1895, India’s premier business association has around 9000 members, from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from around 265 national and regional sectoral industry bodies.

CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, healthcare, education, livelihood, diversity management, skill development, empowerment of women, and water, to name a few.

As a developmental institution working towards India’s overall growth with a special focus on India@75 in 2022, the CII theme for 2018-19, India RISE : Responsible. Inclusive. Sustainable. Entrepreneurial emphasizes Industry’s role in partnering Government to accelerate India’s growth and development. The focus will be on key enablers such as job creation; skill development; financing growth; promoting next gen manufacturing; sustainability; corporate social responsibility and governance and transparency.

With 65 offices, including 9 Centres of Excellence, in India, and 10 overseas offices in Australia, China, Egypt, France, Germany, Singapore, South Africa, UAE, UK, and USA, as well as institutional partnerships with 355 counterpart organizations in 126 countries, CII serves as a reference point for Indian industry and the international business community.
