5th INTERNATIONAL CONFERENCE ON IPR

Innovation and IP-led Technology
for a \$5 Trillion Economy

3-4 December 2019: New Delhi

Session 4:
**IPR enforcement in
India & Abroad**

G S Jaiya

Former Director

World Intellectual Property Organization (WIPO)

Dr. Guriqbal Singh Jaiya is an internationally recognised IP expert with a focus on IP strategy in business. His international experience of some 24 years (Nov 1993 to Aug 2017) while he was at the World Intellectual Property Organisation (WIPO) in Geneva, Switzerland spans some 150 countries. During this period for IP-related work he travelled to some 70 countries worldwide.

His IP competencies span teaching, training and consulting on all aspects of IP strategy and IP assets management from a competitiveness perspective in entrepreneurship, startups and business (be they small, medium or large), schools, universities, publicly funded research and development institutes, business incubators, open innovation networks, amongst others.

From 2011 to 2015, in his own time, while working at WIPO, he taught a 6-credit course on IP management in international business to Masters students of International Business at the University of Neuchatel, Switzerland.

Earlier, from Nov 1990 to Oct 1993 (when he was an IAS Officer of the 1978 batch, AGMUT cadre) he served as a Deputy Secretary and Director in the then Department of Industrial Development, Ministry of Industry, Government of India, where, amongst other things, he dealt with all IP policy matters and represented the GOI in all international negotiations including in multilateral IP negotiations in (a) the TRIPS Negotiating Group of the then GATT (predecessor of the WTO) and (b) the WIPO.

He academic background spans medicine (MBBS, AIIMS, New Delhi), humanities (BA, Delhi University) and law (LLB, Delhi University).

Ara Cho

Deputy Director, International Cooperation Division
Korean Intellectual Property Office

Ms. Ara CHO currently works as deputy director of International Cooperation Division at KIPO. She received a bachelor's degree in Computer Science at Korea Advanced Institute of Science and Technology, a master's degree in Electrical and Computer Engineering at Sungkyunkwan University and another master's degree in Management Science and Engineering in Shanghai Jiaotong University.

Ms. Ara CHO is an experienced IT engineer with work experience as S/W engineer at Samsung Electronics for six and half year. She participated in various mobile-phone S/W development projects, which nurtured her logical thinking, S/W implementation skill, and project management know-hows.

After being a member of civil service in 2011, Ms. CHO led several IT projects successfully and worked as a patent examiner in IT field. She currently works at international cooperation division coordinating international forums and high-level meetings.

Huw Watkins

Head of Asia Policy
Intellectual Property Office, United Kingdom

Mr. Watkins is the Head of Asia Policy at the United Kingdom Intellectual Property Office. His role is to engage with government and industry organisations to support engagement on trade matters influenced by intellectual property matters. Working closely with the Department for International Trade, Huw's team intend to support the Government of India in developing opportunities for both countries to improve trade. As a former senior police officer in the UK, Huw has experience of the involvement of serious and organised crime in IP Matters. Huw is a member of the Global Network on Transnational Organised Crime as a subject matter expert on IP crime, and a member of the management committee for the Syracuse Institute in Sicily for a global project on illicit trade.

Rajesh Kumar

Joint Director, National Academy of Customs Indirect Taxes and Narcotics (NACIN)

Shri Rajesh Kumar is an IRS (Customs & Central Excise) Officer and he is currently posted as Joint Director, NACIN, Faridabad.

Before being posted at NACIN, he has worked in Kolkata Custom House, DPPR, New Delhi, Central Excise Commissionerate Gurgaon, CGST Commissionerate NOIDA and ICD (TKD) Delhi.

Shri Rajesh is a Graduate from St. Stephen's College, Delhi. He was also awarded with Shankar Prasad Memorial Gold Medal, Savitri Prasad Memorial Prize and Commonwealth Essay Prize at St. Stephen's College, Delhi.

He was Joint Secretary History Society and Physics Society at St. Stephen's College. He was also a regular contributor to History Society and Physics Society Journals and also national journal like Main Stream.

Shri Rajesh has commanded the first ever Tableau of Ministry of Finance / CBEC during the Republic Day Parade, 2012, on Raj Path, New Delhi. He along with his other tableau team members were felicitated by the then Hon'ble President of India, Hon'ble Vice President of India and by Hon'ble Prime minister of India (in the year 2012).

He is a UNEP accredited trainer on Green Customs and also takes sessions on various customs related areas including IPR for Officer Trainees at NACIN.

Mr Kumar helped bust a major smuggling attempt to bring in infringing goods worth more than 5 crores at ICD TKD, Delhi

Shri Kumar has also prepared the E-learning module on IPR for Learning Management System of CBIC and NACIN
